Name:		
J#:	Team:	Modeling Project Form
Date:		

Standard:		Exercise Version:	Mark:

For modeling standards, write a complete solution below for the exercise version assigned to you from https://mastr.clontz.org . When complete, scan/upload to the Gradescope app for grading. Revisions are allowed, so using a pencil on this form is recommended (or you may use white-out, or choose to reattempt from scratch, etc.).
